Latest figures reveal drop in number of Honiton crimes

EFFORTS by police to drive down crime in Honiton are paying off and the number of recorded incidents has reduced significantly, according to the force's latest figures.

A recent police report showed that the number of criminal offences plummeted last month to just 32 – down by almost half when compared to the same period a year ago.

The statistics included seven shop thefts, six incidents of criminal damage and three home burglaries, but overall crime dropped from more than 50 offences between July and August last year.

Earlier this year, Devon and Cornwall Police announced the Honiton station's enquiry desk would be closed as part of major cost-cutting measures, and some residents have since expressed concern regarding the future shape of the service.

Just last month, members of Honiton Senior Voice –

the mouthpiece for older people in the town – warned that reducing the number of officers on the street could undermine public confidence in the police.

But the force has assured members of the public that even in this period of austerity, they will continue to deliver an effective service for the town.

Honiton's Neighbourhood Beat Manager PC Steve Lee told *Pulman's View* the downward trend in criminal offences was pleasing, and demonstrated the team's efforts to keep on top of crime in the area.

He said: "I do not think there is any one factor which has created this trend, but that it is due to the hard work of my colleagues – both police officers and PCSOs – who have tried to ensure that, even though we are undoubtedly in a period of austerity, they continue to deliver the very best service to the public and our community.

"The public also plays an important part in reducing crime by being vigilant, reporting suspicious activity

“ We have listened to the public and are targeting
problem areas which have been highlighted to
us. These include anti-social behaviour, as well

'We won't let youth down', says council

AXMINSTER Town Council will seek interim responsibility of the Axminster Youth Centre building, aka Pippins - but reserves the right to pull out if the figures don't add up.

During the extraordinary meeting of the council on Tuesday of last week, it was decided to make a non-committing application and produce detailed costs in time for the full council meeting on Monday, September 8th.

If the town council assumes interim responsibility, it would give current tenant The Project (which supports young people with mental health issues) breathing space and a base for an emerging volunteer-based youth club.

Mayor Jeremy Walden chaired the extraordinary meeting and made clear it had been called to deal with the short-term, not the long-term solution.

The town council anticipates to assume interim responsibility for about six months at a predicted cost of about £10,000 - based on figures provided by Devon County Council.

There is a possibility, however, that DCC could provide a 50 per cent grant - which would mean the council would only have to spend about £5,000.

Councillor Walden told fellow councillors: "I suggest the town council agrees to register an interest and firms up figures for the next full meeting. "There is no commitment in registering an interest. I reckon that is good value for the young people of the town, and it is money we have.

"If youth provision is not provided, the youth of the town will feel let down."

Councillor Paul Hayward said: "I think for the young people of the town, it is a very good investment."

Councillor Mervyn Symes agreed by saying: "It is an excellent proposal."

From the editor's chair A real community asset

ALL credit to Axminster Town Council for stepping in with a bid to save the Pippins centre, home of Axminster Youth Club for so many years.

The youth centre has fallen foul of the stringent cost cutting by Devon County Council.

In trying to save the building for continued community use, the council say they are investing in the youth of the town.

With other interested parties also trying to put together a plan to protect its future, it is to be hoped that such a fine building, on which so much money has been spent in the past, can be utilised as a real community asset.

To their credit, the town council is leading the way.

♦ **CARNIVAL** time is upon once again and, as always, Seaton kicked off the 2014 season with a packed week of events, culminating in a splendid grand procession of Saturday evening.

I was unable to see the finale procession but regular carnivals tell me it was one of the best for several years.

With the stringent health and safety rules in place these days, it becomes increasingly difficult for carnival clubs to meet the ever increasing cost

of building and insuring floats.

This year's East Devon circuit will certainly miss the magnificent tableaux which the Sid Vale Carnival Club has created over the years. They slimmed down with a mini entry in the Seaton procession but still won a prize.

Favourites for the overall East Devon prize will be the Nunsford Nutters, from Colyton, who live up to their name every year with hilarious entries. This year's "Formula Tubs" is no exception.

There was a real fun atmosphere around Seaton last week with good support for all the carnival events.

Carnival Queen Laura Fisher and her Princesses, Amanda Mettam and Louise Tyne, threw themselves into the occasion and even agreed to an ice bucket challenge, the craze which is sweeping the country and raising huge sums for motor neurone disease.

Well done to the hard working Seaton Carnival Committee, led by President Roger Woolland, for staging another splendid week.

Next up: Colyton Carnival starting this coming Saturday with their procession on September 13th.

SEATON

Hotel progressing at a 'snail's pace'

THE construction of a hotel and holiday complex at Seaton Heights has suffered a delay.

Lyme Bay Leisure says its Seaton Heights hotel plan is progressing, albeit at a "snail's pace".

A revised planning application for a 12-bedroom hotel, 38 units of holiday accommodation, a restaurant, a leisure club and other amenities was approved this spring after a long battle with several stumbling blocks.

Lyme Bay Leisure bosses were delighted at the time and hoped to start on-site work this summer and welcome guests by next spring.

But on August 27th Lyme Bay Leisure chairman David Sullivan told *Pulman's View*: "I'd say spring is pretty unlikely now given all the delays on bats."

During the planning application process, the scheme experienced a hiccup because of its proximity to the Beer Quarry and Caves, a Special Area of Conservation, and a feared impact on bat movements across the site. But the revised planning application addressed the issues and was approved.

However, things have still not been straightforward.

Mr Sullivan explained: "We are progressing still albeit at snail pace. The delay is a continuation of the bat disturbance mitigation and delivery of the Section 106 agreement."

"This has been complicated and very challenging and therefore we have been unable to get our planning consent signed off by EDDC. "Without this we are unable to start demolition and construction."

"However, we are optimistic that we have overcome the obstacles and have resubmitted to EDDC and are hopeful we will have all the consents and agreements signed off in a couple of weeks."

EAST DEVON

Council criticised for delays to plan

COUNCILLORS and campaigners railing against excessive house-building in East Devon have warned that it will be "open season" for developers if delays to the district council's Local Plan continue.

Some members of East Devon District Council's development management committee responded angrily last week, after a report was presented outlining the possibility for delays that could stall the process for "months not weeks".

The council is currently working on a blueprint plan for the future development of the district, which will include housing growth allocations to help guide decisions on major planning applications.

Following recommendations given by a government inspector earlier this year that the council should carry out further research to back up its estimate of 15,000 new homes in the district by 2026, specially appointed consultants have been working on a new report.

But an update presented to the committee at Knowle last week revealed that further delays would set the process back by a lengthy period.

And outraged councillors have sided with campaigners in criticising the council leadership for poor management of the process.

Writing on another councillor's website, Ottery St Mary councillor Roger Giles described the plan process as "a complete shambles".

He added: "Without an adopted Local Plan, and without a five year housing land supply - a situation which appears likely to continue for another year - rapacious developers will continue to use their financial muscle to achieve totally inappropriate planning approvals on greenfield sites across East Devon."

Speaking at the meeting last Tuesday, Councillor Ben Ingham said "shifting goalposts" had slowed the plan up, and that while the delays continued, it would be "open season" for developers.

And Councillor Mike Allen called for the chief executive to "get a grip" on the situation urgently.

Responding to the criticism, an EDDC spokesperson said the council still had the power to prevent development of unsuitable sites.

A statement read: "The lack of a five-year housing land supply in effect means that we cannot refuse housing developments simply because they are outside of the built-up area boundaries that define the extent of our settlements."

"The majority of our settlements are adjacent to Areas of Outstanding Natural Beauty, Green Wedges and other designations that restrict development anyway and these designations still apply with equal strength whether we have a five-year land supply or not."

"Developers may perceive there to be an advantage in applying for permission now but any advantage is small."

Council leaders must 'get a grip' on local plan

by Jack Dixon
jack@pemedial.co.uk

A HONITON councillor has urged the district council leadership to "get a grip" on its long-term Local Plan project.

Councillor Mike Allen, one of Honiton's representatives on the district authority, expressed his frustration at a meeting last week, where councillors met to discuss the progress of the plan.

The council is currently working on a blueprint plan for the future development of the district, which will include housing growth allocations to help guide decisions on major planning applications.

Following recommendations given by a government inspector earlier this year that the council should carry

out further research to back up its estimate of 15,000 new homes in the district by 2026, specially appointed consultants have been working on a new report.

But an update presented to the council's planning bosses last week revealed that further delays would set the process back by a lengthy period.

Councillor Allen said the council's chief executive, Mark Williams, needed to "get a grip on the situation" to ensure a clear plan answering the inspector's questions could

be presented this month.

He added: "My key aim is to ensure that buildings in East Devon are appropriately sited and designed well, both for homes and business."

Other councillors have raised concerns that the delays to the plan could give developers an advantage in the planning process.

But responding to the criticism, an EDDC spokesperson said the council still had the power to prevent development of unsuitable sites.

A statement read: "Developers may perceive there to be an advantage in applying for permission now but any advantage is small.

"In many cases, sites that the council had already considered could come forward in the new East Devon Local Plan, following extensive community consultation, are coming forward earlier than planned. But these sites would probably have been developed in the near future anyway."

A spokesperson for campaign group the East Devon Alliance criticised the "patronising" assurances from EDDC that the plan was on track.

The spokesperson said: "The crucial Local Plan, promised for two years ago, now seems unlikely to be agreed before next summer.

"How much more vulnerable East Devon countryside will be lost while the council dithers?"

A revised timetable for the plan will be agreed with the inspector once work on the housing market assessment has been completed.

A further report from consultants will be presented to the council's development management committee on October 21st.

HONITON SKATE PARK SET TO BE REOPENED TODAY

HONITON'S new and improved skate park will be officially opened to the public today (Tuesday), after the completion of a major project to bring the facilities up to date.

East Devon District Council poured £90,000 into the project, having judged Honiton's skate park to be most in need of improvement.

And following discussions with youth centre members and college students, the council has pressed on with a significant revamp of the facility.

Expert designers have replaced the old wooden structures with concrete ramps poured on site, as well as constructing extra features for skaters to try out.

The town's young people were given the final say, after being presented with a series of skate park designs.

The council worked with skate

park company Maverick Industries to install the winning design, voted for by 58 per cent of youngsters.

Councillor Ian Chubb, the council's cabinet member for environment, said the project had been a great example of community engagement.

He said: "I am very pleased that the council was able to find the money to make the much-needed refurbishments, and that we made a commitment to work with the young people that use it to make it happen. Thank you to Honiton Community College and Honiton Young People's Centre for getting involved."

An official opening event will take place at the skate park today (Tuesday) between 2pm and 4pm, including skateboarding competitions, circus skills and music provided by Otter Windows.

Drop in Honiton crime figures

and ensuring that they keep their property secured. We value their support."

The force has been making particular efforts to target key problem areas, pointed out by members of the public.

Just last month officers reported that progress was being made on a long-term plan to clamp down on speeding on some of Honiton's most dangerous roads.

And PC Lee assured residents that the force would continue its "proactive" approach to targeting criminal behaviour.

He added: "We have listened to the public and are targeting problem areas which have been highlighted to us. These include anti-social behaviour, as well as speeding and driving offences.

"We continue to be proactive in seeking out and disrupting those criminals who are involved in drug activity.

"Although obviously pleased that crime does appear to be decreasing, we will not be complacent and will continue to work together with our partner agencies and the public to continue to drive crime down."

● A WOMAN has been arrested after a police raid uncovered a number of cannabis plants hidden in the loft of a Honiton property.

A team of five officers, including members of the Neighbourhood Beat Team, police community support of-

ficers and Assistant Chief Constable Sharon Taylor, executed a search warrant last Friday morning.

Sergeant Jim Humphrey told *Pulman's View* that a number of plants had been seized during the raid, which was part of ongoing operations in relation to drug consumption and cultivation.

No further details are available as yet, but the woman has been released on bail pending further investigation.

Exeter College this month have also celebrated success.

Honiton students were among the top performers in the college's crop this summer, and are already making exciting plans for the future.

Former Honiton Community College pupil Arthur Palmer-York, 18, is one of those aiming high after achieving an impressive three A* grades in Physics, Chemistry and Maths.

Having exceeded the grade requirements for a place at Kings College in London, Arthur is already eyeing up a career in scientific research.

Another Honiton student who rose to the top was Olivia Boland, 19, who achieved an A grade in Law, landing her a place at the University of the West of England (UWE) in Bristol.

The college bucked the national trend by securing an overall pass rate of 99.5 per cent.

Funeral director reaches award finals

JULIAN Hussey, director of family funeral directors E. A. Dodd & Son in Honiton, Overmass & Chapple in Seaton, W. G. Potter in Axminster and A. G. Down in Bridport, has reached the final of this year's UK-wide Good Funeral Awards.

Julian (pictured right) is a finalist in the Funeral Director of the Year category.

"The Good Funeral Awards reward exceptional service to the bereaved. By progressing this far, Julian has already demonstrated outstanding professionalism, empathy and a willingness to go the extra mile," said chief judge Charles Cowling.

The Good Funeral Awards are independent of the funeral industry and are supported by consumer advocates the Good Funeral Guide and the Natural Death Centre.

The final and subsequent awards ceremony will

be held on September 6th in Bournville, near Birmingham, and event organiser Brian Jenner said: "The Good Funeral Awards recognise all those unsung heroes who work so hard for the bereaved and whose role can so easily be overlooked. Some of the nicest people in Britain work in the funerals business."

The Good Funeral Awards dinner is part of the first Ideal Death Show weekend.

Fete goes ahead in downpours

RAIN didn't dampen the spirit at this year's Hawkchurch Fete as the event went ahead as planned despite afternoon downpours on August Bank Holiday Monday.

A number of stallholders still showed up despite the poor weather, and entertainment went ahead as planned in the main ring with demonstrations from the Smale Gundog display Team from Cullompton. However, the Honiton Gymnastics team could not perform due to safety issues with the poor weather conditions.

Professor Bumble entertained children in the tea tent where parents and staff from Hawkchurch Primary School and Winsham Primary School, who have recently formed a teaching partnership, kept the grown ups warm with cups of tea and homemade cakes.

Local group Nyther Nore entertained those seeking shelter in the beer tent with a selection of popular music.

Organisers are hopeful that, despite the weather,

they will still be able to make donations to this year's chosen charities – the Devon Air Ambulance and the East Devon Day Hospice Appeal.

Chairman Paul Wallis said: "On behalf of the committee I would like to thank all those who turned out in the rain to put the fete together, the stallholders and our visitors for their support."

"I hope everyone had an enjoyable afternoon despite the weather, however, it is too early to say how we stand financially, although the events held during the week were well attended, which we hope will help."

The fete topped off a busy week of events in the village, which included a car treasure hunt, whist drive, children's film screening, bingo and dog show.

Open studios

HONITON'S Thelma Hulbert Gallery is preparing to welcome members of the public for the annual Devon Open Studios exhibition, which takes place throughout September and October.

The gallery's latest exhibition aims to showcase the work of new and emerging artists in Devon, and a selection of pieces from five of the recipients of the Devon Open Studios bursaries will be on display at the gallery.

The exhibition opens to the public on Saturday (September 6th) and runs until October 25th.

Kids rescued

TWO young children were rescued by firefighters last week, after accidentally becoming trapped upstairs in their Honiton home.

A fire crew was called to a property in Badger Close, where the children had come into difficulty.

Firefighters used a triple extension ladder to free the children and reunite them with their mother.

Car fire

FIRE crews were called to an incident in Honiton last week, after part of a vehicle burst into flame.

Teams from Honiton and Sidmouth rushed to the scene, on the A30 between Cloverleaf and Turks Head, just after 12:15pm on Thursday (August 28th).

On arrival, crews discovered a small fire in the engine compartment of a van, which firefighters were able to extinguish using a hose reel.

Decision on new homes expected

by Jack Dixon
jack@pemedial.co.uk

District council ward member Susie Bond reiterated her previous objections: "Building on this site will have a significant detrimental visual impact on both the AONB and its setting, given the rising

ground on which the development would sit. The site has severe restraints in terms of access which cannot be overcome, in particular, the extremely narrow bridge under which commuters will have to pass at peak times of day."

In the report, the Mayor of Honiton, Councillor Peter Halse, also pointed to the "immensely detrimental" impact of the de-

velopment on the nearby Turks Head junction, and urged members of the committee to insist that Welbeck makes a substantial contribution to improvement works.

An EDDC spokesperson confirmed that the late submissions received in June had now been fully considered and that councillors should now be in a position to make a decision.

ANXIOUS Honiton residents, who fought against proposals for a massive housing development on the edge of the town, are due to hear the final verdict on the controversial application this week.

Planning bosses at East Devon District Council are expected to come to a decision on Friday, following months of heated debate.

The application, submitted by Welbeck Strategic Land, outlines plans for 300 homes to be built on land west of Hayne Lane, between Honiton and Gittisham.

And district councillors gave the development the go ahead back in April, prompting a backlash from campaigners who wrote to local MP Neil Parish to express their anger.

But a long list of comments submitted to the council in June by furious public bodies, including health and education representatives, convinced planning bosses of the need to reconsider.

An updated report, recommending approval of the application, has now been produced and will be presented to the council's planning inspections committee on Friday, when they are expected to reach a final decision.

Objectors had previously raised concerns that the homes would be situated too far from key facilities in Honiton, and that already crowded public facilities, including schools and surgeries, would be pushed to breaking point.

Residents and some councillors have also stood against the plans based on the potential impact on the local areas of outstanding natural beauty.

AN EAST Devon-based company will try to establish a firm grip on markets in Australia and New Zealand.

Hunter Urology, located in Woodhayes, near Honiton, has received practical help and advice from UK Trade and Investment (UKTI) to break into the lucrative markets.

The company specialises in products for intermittent self-catheterisation, which allows patients with bladder problems to pass a small catheter into the bladder at regular intervals to remove urine, which improves their quality of life.

The company, which employs five people, has brought the rights to a new cornstarch based biodegradable intermittent catheter called EMTEVA, from a Danish company.

It has also moved the manufacturing back to the UK to a

factory based in Cornwall.

Company director, Gary Hunter, who founded the company in 2001, said: "We will be launching in Australia in September at a major professional conference in Cairns."

"Although we have been exporting to other markets, such as Greece, Ireland and Slovenia for some time, Australia is a huge market for us."

"When we approached UKTI we were assigned an international trade advisor, who has done an excellent job guiding us through the process."

"We were put in touch with the embassy in Australia who helped us with contacts and introductions."

"My advice to other companies who might be considering exports is to work with UKTI to get in contact with British embassies and make use of their expertise to help you."

"The launch into Australia is a very exciting time for us and will certainly lead to us expanding and creating more jobs in the UK."

UKTI trade advisor, Rob Thompson, said: "Hunter Urology is a great example of a small homegrown business that is now making an impact on overseas markets."

"The manufacturing of its latest product has been brought to the UK so further sales successes abroad will increase job opportunities."

Hunter Urology has benefited from UKTI schemes including Passport to Export, which provides new or inexperienced exporters with training, planning and support to grow their business overseas and Gateway to Global Growth, which helps more experienced exporters expand into new markets and grow

their business overseas. It offers a wide range of guidance and tailored support to companies over a 12-month period.

The company has also benefited from the Tradeshow Access Programme, which provides grants to attend overseas shows and exhibitions and Market Visit Support which helps companies with their visits to overseas markets, either as part of an organised group or on an individual basis.

Visits can help businesses make new contacts, and research into overseas markets. ● UKTI is a government department which helps UK-based companies succeed in the global economy.

It also helps overseas companies bring their high quality investment to the UK's economy.

Hidden memorial uncovers Honiton war hero's story

A LOCAL historian has trawled through the archives to help piece together the story of one of Honiton's forgotten war heroes.

History enthusiast Tony Simpson committed hours of research to the project, after stumbling upon a unique war memorial hidden among the trees in woodland – part of the Tracey estate – just outside Honiton.

Though not officially listed among Britain's thousands of monuments to the First World War, Mr Simpson believes the memorial – which commemorates only one soldier, Captain Geoffrey Weldon – may be one of the first to be built.

Mr Simpson said: "Few people visit and to my

by Jack Dixon

knowledge there is very little public knowledge of the memorial or the man it honours.

"These private monuments were very common early in the war [before official ones were commissioned] and this must be among the earliest war memorials in the country.

"It certainly pre-dates the town's monument outside St Paul's Church."

Intrigued by this forgotten piece of history, Mr Simpson set about unearthing more about the elusive figure, Captain Weldon.

Digging through archive materials and records almost a century old, he eventually found that Captain Weldon was the son of

the Reverend Edric Weldon and his wife Gertrude, who inherited the Tracey estate.

He was educated at Eton and the Royal Military Academy, before being posted to France at the outbreak of war, to serve as captain in the Royal Field Regiment.

Captain Weldon and his battalion fought bravely for over two years of the conflict, before he suffered fatal injuries from a shell during the Battle of the Somme in September 1916 – almost 98 years ago to the day.

Mr Simpson added: "For over two years Captain Weldon appeared to have luck on his side – many young officers did not sur-

vive long on the battlefronts.

"Then came the Somme, the most ambitious assault ever by the British army and the most wasteful of life.

"A report states that Captain Weldon and his battalion had been in action in one of the worst spots on the Somme front, where he was badly wounded by a shell.

"Though the battle was preceded with a massive bombardment that split many soldiers' eardrums, Geoffrey Weldon seems to have been a calm and quiet man, since a fellow officer said: 'I never heard him speak a harsh or hasty word'."

Captain Weldon is buried at Etaples with over 10,000 others in the largest

Commonwealth cemetery in France, and he is also commemorated on the war memorial in Awliscombe.

Mr Simpson would like to find out more about Captain Weldon's life, and anyone with further information should call the newsdesk on 01297 446161 or email jack@pe media.co.uk

Digger fire at Combe Raleigh

A DIGGER was badly damaged by fire at Combe Raleigh crossroads, near Honiton.

Firefighters were called just after 3pm on Friday, August 29th, and a spokesperson for the fire and rescue service said: "One fire appliance from Honiton was sent to a report of a digger on fire.

"On arrival the crew confirmed that the digger was well alight.

"Two breathing apparatus and two hose reel jets were used to extinguish the fire, but the digger was severely damaged."

Car wash for firefighters' trip

HONITON based firefighters turned car washers for good causes on Saturday August 30th.

They set up a temporary car wash base in the Tesco car park and raised £420.56 through hard graft.

The money will go towards their Fire Engine To Africa Challenge, CLIC Sargent and The Firefighters' Charity.

Firefighters from Honiton Fire Station are preparing and fundraising for an epic journey in 12 months' time, driving an old fire engine from Honiton to Africa.

A spokesperson said: "We will drop off stationery and supplies to African schools along the route and when we

get to our final destination, we will hand over the fire engine to the Gambia Fire & Rescue Service.

"We also hope to spend a little time with the fire fighters there going over some fire behaviour drills!

"We will have to overcome whatever the road throws at us, and whatever issues we have with the vehicle on our own, unsupported, and when we arrive

4,138 miles later, having crossed 10 countries, we will donate the fire engine and whatever equipment we can get our hands on.

"Between now and the departure date, we have much in the way of preparation and fund raising to do."

Several fundraisers are planned, and more information is available online at <http://fire-engine-to-africa.org>

Panto society on the lookout for acting talent

BUDDING performers of all abilities are being urged to take to the stage this autumn, as part of Honiton Pantomime Society's latest production, 'Sleeping Beauty'.

The theatre group is holding an open evening at Honiton Community College later this month, in a bid to uncover the next stars of the stage.

Man suffers 'life-changing' injuries in Offwell smash

A MOTORCYCLIST has suffered what police have described as "life-changing" injuries after a major collision on the A35 near Honiton last week.

The man, who was later revealed to be a Honiton resident, suffered serious chest and leg injuries and was airlifted to hospital following the accident.

The collision, between the motorcycle and a car driven by a man in his eighties, happened just before 1pm on Sunday, August 24th at the A35 junction with Ramsden Lane in Offwell.

Emergency service teams helped the man into an air ambulance, which took him straight to Derriford Hospital in Plymouth.

Special investigators were called to the scene and diversions remained in place for the rest of the day.

A police spokesperson said: "The collision involved a black Suzuki motorcycle, being ridden by a man in his fifties, and a red Toyota Yaris, being driven by a man in his eighties.

"The motorcyclist suffered serious chest and leg injuries and was airlifted to Derriford Hospital. His condition is described as life changing.

"Diversions were in place and the road was closed until 8:30pm while collision investigators worked at the scene."

Any witnesses of the accident are asked to call police on 101, quoting log 436 August 24th.

Amateur actors are encouraged to attend the session to find out more about the roles on offer.

And the society is also looking to round up a dedicated backstage crew to help make sure all the shows run smoothly.

Performances of the show will take place during half-term week in February next year, but the society is keen to recruit new members so rehearsals can get underway on schedule.

Society member Dave Pickerell said: "We are looking for both adults and young people as performers, chorus members, dancers, backstage people, costume and prop makers, and front of house helpers.

"Panto is great fun for all ages and a ray of sunshine during those long winter nights, so please come along and give it a try."

New members wishing to audition for a part in the show will be invited to put their names forward at the meeting, which will take place on Tuesday September 16th at the Sixth Form centre at Honiton Community College, from 7pm.

Subscription rates are £10 for adults and £7.50 for young people aged 9–18 years.

Young people need to be over nine years of age by September 1st and anyone under 16 should be accompanied by an adult.

Mr Pickerell added: "Rehearsals will normally be on a Tuesday and/or a Thursday evening, depending on the role, and will take place at the Crypt of St Paul's Church or the community college.

"Even if pantomime is not your cup of tea, remember that we also put on a variety show in the summer."

'Hanki Pankey' (Lou Pottinger) and 'Jiggeri Pokery' (Ben Mason) entertained audiences during Honiton Pantomime Society's production of 'Ali Baba and the Forty Thieves' last year, and directors have issued a casting call for their next production

New homes appeal widens

THE Beer Community Land Trust (CLT) is widening its appeal to prospective owners of the seven new houses being built in the village.

While a connection with Beer remains paramount – and those details are available on request – CLT spokesman Councillor Geoff Pook wants to ensure that the message gets heard in surrounding villages that the properties, comprising two and three bed houses on the edge of Beer within easy walking distance of the school and shops, are now available.

"The first tranche of homes are available to people in Beer who fulfil the need for housing whether shared equity or renting," said Councillor Pook, who has been driving the project.

"The second tranche is for people

in the adjoining parishes of Branscombe, Southleigh, Colyton and Seaton as long as they have a Beer connection.

"We want to make sure that everyone is aware the houses are available because what we didn't want is for people to come to us later on and say they didn't know anything about it."

Pook said interest in the new houses had been considerable but many prospective buyers had been struggling to get the banks to fund a mortgage for a shared equity scheme.

"At the moment it looks like we will be renting all seven houses as the kids in the village cannot get the mortgages, but that shouldn't be a problem," added Councillor Pook.

The Beer CLT was set up at the

start of last year to facilitate the development of affordable housing for local people with the slogan 'owned by the community, for the community'.

The CLT was granted a £1million loan via East Devon District Council to help fund the project and then a £170,000 grant from the Homes & Communities Agency.

The project, which is being led by Colyton-based Northcott Building Contractors, is currently on schedule and the houses, none of which will be holiday homes, are due to be finished by Christmas.

"It is all on target and on budget," said Councillor Pook.

For any further information please contact Geoff Pook either by phone on 07966 490429 or email him at g.pook@outlook.com

■ SEATON based writer David Tinkler's latest book for children, *Never Say Die*, was launched at a party in Seaton Town Hall on Friday August 8th.

David started off as a sub-editor on the old *Eagle* comic but he was soon writing books like *Scourge of the Dinner Ladies* and *The Headmaster Went Splat*.

A year or two ago he decided to up the age group, and *Never Say Die* is the result. It is an alternative history in which a 12-year-old farm boy finds

himself mixed up with the Resistance following the successful Nazi invasion of Britain.

He said: "The opening line came out of nowhere."

"They'd shot his dad, then they'd come for his mother. I had no idea about the why, the what or the when – I had to write the book to find out."

The book is published by Chicken House the publishing house founded by Barry Cunningham – famous for discovering JK Rowling and whose beard was the model for Mr Twit in Roald Dahl's *The Twits*.

■ AUTHOR Margaret Edmonds with Teddy Mac

IT WAS a day for furry friends in Beer last week when Pecorama held their first ever Teddy Bears Picnic.

Visitor numbers swelled as a stream of expectant children brought along their much loved teddies, many dressed in imaginative attire in anticipation of winning the 'Best Dressed Teddy Competition'.

All those entering into the spirit of the day were given a little some-

thing extra with a Teddy Treat from the restaurant.

Margaret Edmonds, author of the Teddy Mac series of children's books, was present to entertain the children with stories of a Teddy Bears adventures on the Beer Heights Light Railway, whilst the 'Teddy Mac Quest' proved a huge success, with families following and collecting a series of clues and Teddy Tokens to receive a prize on completion.

Little Gems Animal Rescue Centre from Southmead, Bristol provided furry friends of the living kind, with rabbits, guinea pigs and gerbils for the children to cuddle.

A show from 'A Wizard Called Ozz' complimented the day as did the Devon Air Ambulance's teddy mascot Ambrose, who wandered through the grounds meeting children and collecting for the trust nominated by Pecorama as their Charity of the Year.

Anne and Derek's 50 years in Beer

ANNE and Derek Farrow have just celebrated what must be a unique love affair with Beer.

The couple not only spent their 50th successive year on holiday in the village but also returned to their favourite bed and breakfast establishment, the Bay View Guest House.

"My mum (Joan Satterley) was a Beer girl but left the village in 1939 to become a teacher," explained Anne.

"We live near Stanstead, in Essex, but I have been coming back to Beer and staying at Bay View Guest House since 1964."

Penny and Monty, the parents of the current owner Nikki Oswald, ran the guesthouse back then and that personal rapport plus the lure of Beer during Regatta week has pulled Anne and Derek Farrow back ever since.

"We have travelled all over the world but we always come back to Beer because we love it here," added Anne.

"We have loads of friends in Beer; Bay View is the best play to stay and we always have such a good time."

"Our children also come and our grand-children now, so it's a real family holiday."

"They love it as well and we are always recommending it to our friends in Essex. As the local song goes, 'Beer is a little bit of Heaven.'"

Needless to say, the Farrow family will be back for their 51st season next year as they have already booked Bay View for Regatta week in 2015.

Yacht club raises £900 for the RNLI

The start of the cruiser race

OVER the weekend of August 15th-17th, the Axe Yacht Club raised £900 for their favourite charity – the RNLI.

The funds came from the profits of a supper in the clubhouse on the Friday evening, the entry fees for a race by nine cruisers on the Satur-

day (followed by a buffet supper in the evening), a table top sale and stalls on the Sunday morning and a five cruiser race culminating in a BBQ at lunchtime.

A separate stall manned by Wendy Cummins and Christine Palaccio selling RNLI goods also

gave a significant boost to their funds.

The club also supports the RNLI through subscriptions and donations throughout the year, with several members being very grateful for the help provided by lifeboats in the past.

A right royal soaking!

SEATON'S royal carnival party were given a soaking before the grand procession on Saturday, when they took part in the charity craze the Ice Bucket Challenge. Carnival Queen Laura Fisher, 16, and her princesses Louise Tyne, 11, and Amanda Mettam, 13, bravely stepped up to the challenge on Seaton seafront, each having a bucket of ice cold water poured over their heads. The girls raised £150 for the Motor Neurone Disease Association. The craze has swept across social networking site Facebook in recent weeks, with many celebrities also taking on the challenge to raise charity funds.

■ SPLENDID EFFORT: Some of the guests and helpers at the cream tea in Kilminster

Cream tea raises impressive £3,300

A cream tea at Coryton Park, Kilminster, raised a staggering £3,306 for the Hospiscare East Devon Day Hospice appeal.

Hundreds of people enjoyed cream teas and cakes, bought from cake and plant stalls, played skittles and there were children's activities including a bouncy castle.

The event was held on August 3rd and Hospiscare fundraiser Catherine Rawlinson said: "It was an amazing afternoon, there were lots of scrummy

cakes, fun things to do and great atmosphere of people enjoying themselves in a wonderful setting. "There was such overwhelming support for this event and we are very grateful to the Dare family for organising this and raising such a spectacular amount for Hospiscare."

Organiser Monica Dare praised everyone who helped to organise the event and those who attended.

Honiton being short changed with loss of valuable services

■ WITH regards to the closure of the public enquiry office at Honiton Police Station:

It feels like we are being short changed in Honiton. We have lost The Bungalow, Churchill House and our youth centre. St Michael's Day Care Centre is closing its doors and the future of our town's hospital lies in the balance.

On top of this we now lose the front counter at our

local police station before the month is out.

Yet again, Honiton loses face-to-face contact with a valuable service leaving our town depleted of support systems used by the most vulnerable. How much more can we take?

CAROLINE KOLEK,
Labour Party spokesperson

Punishing drivers is answer to speeding

■ WITH regards to the article "Police working to tackle speeding" (Pulman's View, August 5th):

It's hardly a new phenomenon - it's been going on for years in Honiton!

Surely, the answer is simple, let's see some of these offenders stopped, put before the courts and punished with penalty points and a hefty fine - this'll serve as a

salutary lesson to other would be speeders!

In addition, let's see the names of these anti-social miscreants published in the local press!

Simple, job done, no problemo!

SEAN McCURM,
Honiton

Thanks for supporting RNLI collection

■ SEATON, Beer and District Branch of the RNLI would like the residents and visitors to Beer and Seaton following our annual street collections.

The totals were, at Beer on Saturday, July 5th, £311.50, and at Seaton on the July 19th, £199.40.

We would also thank Ian Rosenblatt and the organisers of the Branscombe Festival 2014 for their support. £236.50 was donated from the fifty pences from each ticket sold at the concerts between July 25th and

27th, and £480.47 was collected at the Royal Marines Band Beach Concert on Sunday, July 27th.

The donations received during the weekend are greatly appreciated by our branch of the RNLI and at RNLI headquarters.

Seaton is lucky to have TIC team

■ THANK you to Terry and the Seaton Tourist Information Centre team, Marie and Craig, and Karin for being so wonderful and supportive during my role as manager.

You have been amazing to work with and you are a true asset to Seaton, working together for the benefit of local people, businesses and events, and of course the thousands of visitors you welcome each year!

You are a team from which other could learn a lot. Keep your spirits up and never change. I've had such an interesting 14 months and learnt a lot, Seaton is lucky to have you!

Dog walkers not fined for ignoring beach ban

MR R.Nash is right about never seeing the dog warnings or signs in Seaton.

People come to the east end of the beach and spend all day at the sea edge with their dogs.

They completely ignore the ban and get away with it.

M.BOWERS,
Seaton

Thanks for help in finding missing dog

■ I WOULD like to thank the staff at Seaton Tramway for helping me find my dog Nelly after she went missing during our visit to Axe Farm campsite in Axmouth.

Nelly went missing from the site and was found across the main road in the wetlands. I had called my whistle but she couldn't hear it from that far away.

The staff at Seaton Tramway kindly took me out on the tram where I was able to blow my whistle to find her. Thank you very much.

Open garden raises more than £700

Kilminster Open Gardens are pleased to report that, after costs, the sum of £744.51 was raised from ticket and produce/plant sales at the open gardens on August 9th and 10th.

An additional of £233.53 came from the sale of cream teas provided by members of St Giles' Church - proceeds will go to the church.

Visitor numbers were substantially up on last year no doubt helped by the offer of four new gardens to view. Thank you to the "open gardeners" and all who supported this event.

Children can benefit from our Forest School and village playing field which is a great learning experience in an outdoor environment.

We also visit the Donkey Sanctuary in Sidmouth every other week at the EST where the pre-school children can ride the donkeys.

olds. Funding is available for 15 hours a week for all 3 and 4 year olds, which starts the term after your child's 3rd birthday. Additional hours can be purchased at £3.50 per hour.

Exeter School

EXETER School pupils, parents and staff are celebrating the end of a successful academic year which bodes well for the new term.

The Independent Schools Inspectorate report rated Exeter School as 'excellent' in all areas in March.

A team of inspectors spent four days observing lessons, conducting interviews with pupils and examining samples of pupils' work.

The ISI inspection reported upon eight areas - the quality of the pupils' achievements and learning, the contribution of curricular and extra-curricular provision, the contribution of teaching, the spiritual, moral, social and cultural development of pupils, the contribution of arrangements for pastoral care, the contribution of arrangements for welfare, health and safety, the quality of governance and the quality of leadership and management, including links with parents, carers and guardians - concluding that the 7-

18 co-educational day school was excellent in each area.

In August, Exeter School was pleased to announce new records in excellence in its external exam results. Pupils achieved an overall pass rate of 100% in A Level exams for the eleventh year in a row.

24% of all grades were A*, a record 66% of grades were either A* or A and a record 89% of all grades were A*, A or B.

41 pupils - almost half of Exeter School's Upper Sixth - achieved more than three A*/A grades.

Not to be outdone, Year 11 Exeter School pupils set two new records with their excellent GCSE results.

51.3% of all grades were A*, beating the School's record of 47.1%, and a record 82.5% were A* or A grades, compared to last year's 80.3%.

There were many high achievers across the range of 19 subjects with 71 pupils achieving eight or more

A* or A grades.

Thirty-nine pupils scored 10 A*/A grades.

Why not visit Exeter School and find out more about its excellent academic record, extracurricular

activities and pastoral care at the autumn open evening on Wednesday 24 September, 6-8.30pm. There is no need to book - just turn up!

Colyton Caterpillars

COLYTON Caterpillars Childcare are looking forward to September 2014 and a new term with lots of exciting opportunities planned for all children.

Our approach is unique and difficult to put into words but a parent summed up her thoughts in her Thank you card "Thank you so much for all your effort with Louie, we really feel that you are doing a wonderful job of accommodating his needs and he is so happy at nursery. This has a positive impact on our whole family and we are very grateful!"

We believe that every experience you encounter in the Early Years is an opportunity to learn. We have a specialist team that really understand children development, all staff have been studying brain development which enables them to see and rationalise how children develop emotionally.

We are very lucky to have Penny as part of our team who engages children from early age with a love of literature. She is an English Graduate and really believes in the benefits of storytelling, sharing stories and the use of language from an early age. She provides a home learning lending library for all

children if they choose to take part.

Dawn has experiences as a singer and dancer and this enables us to have some wonderful singing sessions, and she also works alongside our music teacher Leah from Music Seeds providing a weekly programme of musical experiences.

Ness is our woodwork enthusiast and gives the children real hands experiences in woodwork with proper tools.

We have a weekly science programme which develops critical thinking whereby children are testing out keystage 1 and 2 science challenges at a very early age.

So, as you can see, it's an action packed time at Caterpillars, but we make time to relax when we use our Turtle breathing technique (a form of self-regulating Yoga) to re-energise the children ready for their next learning experience.

For more details on the service we provide, contact Kate Clode on : 01297553197, colytoncaterpillars@btconnect.com

WE open with a reminder that elections to the General Synod of the Church of England are due next year (and to Diocesan Synods as well). It is time to think again about for whom they will be voting and why.

It is worth remembering that elections to General Synod are not first past the post, but by the single transferable vote which applies the number of candidates to be elected in proportion to the number of electors, which affects the candidate's number.

Candidates prepare election addresses which are sent out by Dioceses to every elector. The important point is that electors should try to get to know their candidates and now various methods can be used, such as placing details on websites, the filming of candidates for, say, three minutes, has also been used, the results being offered to deaneries, parishes, etc.

It may all seem complicated but it is important, and most of all to provide help and encouragement to those who should be casting their vote.

There are also reminders this week of the existence of the National Deaneries Network which produces a regular leaflet of the title "Deanery Exchange", now four times a year. Now the electronic DX version is being distributed by the National Deaneries Network. This time also it reminds readers of the National Deaneries Conference to be held at Swanwick from Friday, October 3rd to Sunday, October 5th. Conference details can be obtained from www.parishandpeople.org.uk

Suggestions are always welcome for future topics. From the same source, useful support may be found at www.churchjobfinder.co.uk in filling vacancies whether as a youth worker, a music director, organist, etc. To keep the flow of information going Deaneries are asked to send contact points and DS minutes or other papers of interest to peter@bateshouse.freemove.co.uk

In Axminster, work continues on the major improvements to the Minster. Details of the work and supporting events are displayed around the town and the Archway Bookshop on 01297 32927 can provide further information.

And so to dates – the Bishop of Exeter will be speaking to the readers of the Diocese before their annual service at Exeter Cathedral on the afternoon of September 20th – families are welcome to the service.

Sunday, September 14th at 2.30pm, Colyton holds

Pulman's View churches

With NIGEL SPELLER

Songs of Praise at the conclusion of the town's carnival Week.

Friday, September 19th to 22nd, Branscombe holds its flower festival, with a harvest festival at 11.15am on Sunday 21st.

Sunday, September 28th at 6.30pm is the Colyford Goose Fayre and service. On to Sunday, October 5th at St Andrew's, Colyton, at 11am is the celebration of harvest with pasties and beer – all welcome.

Southleigh harvest thanksgiving follows on Sunay, October 12th at 11.15am, and with Colyford harvest at 3.30pm. More dates next time!

Chardstock Parish Church holds a special service on September 21st to mark the 150th anniversary of their building. The Bishop of Crediton will be officiating. St Andrew's Primary School in Chardstock will also be marking its 175th anniversary and will be included. A local exhibition will be in the church showing the history.

Ottery St Mary, the birthplace of Samuel Taylor Coleridge, celebrates this with a performance of "The Rime of the Ancient Mariner" by Norman Bowler (Frank Tate in "Emmerdale") on Saturday, September 6th in the parish church at 7pm, tickets cost £5 on the door.

Dunkeswell Mission Community invited all around to join in prayer in support of the very persecuted Christians, and to pray for peace in their world. This service was held in St Nicholas Church, Dunkeswell, on Sunday and further dates to come with parking available at Connetts Farm.

For the future, Seaton Methodist Church greet their new minister to look after Methodist churches in East Devon – in a team with the Reverend Brian Hadfield.

PAT Adams is an American who recently moved to Axminster. The former teacher now owns Marle Gallery in Axminster with his wife Lynsey, who is an artist.

● **WHERE were you born and where did you grow up?**

I was born and grew up in the US. I grew up in a small town in Wyoming. I worked there as a teacher until moving to the UK. Lynsey grew up in north-east Essex.

● **HAVE you always been in the art/gallery business?**

No. I used to be a teacher. I taught for 28 years and my subjects were history, psychology and sociology. I worked in colleges mostly, in Exeter, Hastings, Suffolk and Oxfordshire.

● **DO you have a long-term ambition for Marle Gallery?**

We want to continue the good work of the former owners, Nick and Catherine Broomfield. They established a lovely gallery here in Axminster.

We hope to increase the number of artists and variety of art works and to offer a little something to everyone. We also want to continue to develop the awareness of the Marle Gallery as a good source of contemporary art in the east Devon area.

In doing this we want to be able to draw on the wealth of local art talent and also bring in artists from around the country and Europe.

Lynsey brings a wealth of talent and experience to the business and has been very instrumental in recruiting artists and building the awareness of the gallery.

● **HOW did you end up in the UK and Axminster?**

I have been living and working here in the UK since

60 seconds

1994, Lynsey is English. We met during the summer of 1991 when I was here in the UK on holiday and we were married the following year.

I decided to retire from teaching last year and we wanted to buy a business. After looking into a number of possibilities, we bought the Marle Gallery.

We have been fortunate to live in different parts of the UK but we think that the East Devon area is one of the most beautiful and friendly places we have been. That is one of the reasons why we wanted to live here. Axminster itself is a great little town.

The town has several art-related businesses already and we hope to see more in the future.

I come from a small town in the US and Axminster is very much like it. Friendly, outgoing people with a strong sense of community, and a nice place to have a business.

Honiton Cats Protection

OUR Branch was formed in the summer of 1983. We were a small branch then and are still relatively small, dealing only with EX14 postal code area.

Cats Protection's primary objective is to find homes for unwanted cats and to neuter and spay in an attempt to cut down on the number of unwanted cats born every year.

Cats in our care are fostered at 5 different sites throughout the area and pretty soon we hope to have other foster homes up and running.

We always need more fosterers and nearly always have a long waiting list of cats needing to come in..

There are a number of ways you can support us. You can become a member of our branch. The cost is

£5.00 per year, single membership, £2.50 concession and £8.00 for a family. We will send you a copy of our magazine "mews and views" three times a year. This will keep you up to date with what is happening in the ex14 area.

Adopt a cat

Before we home a cat we always make a home visit just to ensure that the environment is right for the cat you wish to adopt. For example, a lively two year old used to the outdoors would not be happy in a flat.

We do not charge as such for a cat or kitten but ask for an adoption fee of £40 as every cat in our care has had at least £200 spent on it in our care, vaccinations, micro-chipping,

neutering or spaying. So a fee of around £40 goes only a small way to paying these costs.

If you are able to make a donation on top of the fee that would, of course, be gratefully received.

If you have decided to give a cat a home, then please telephone our office and leave your contact details.

116 High Street, Honiton. 01404 45241.

Our office is manned Monday to Friday, from 9.30 until Midday. Shop volunteers CANNOT deal with matters relating to cats, nor can they issue neutering vouchers.

Alternatively, you can email us on cpadminhoniton@fircone.eclipse.co.uk

Cats Protection East Devon Branch

Free neutering for those eligible for a limited period

THE East Devon Branch alone has already taken in more than 50 unwanted kittens this year.

We could have taken in many more but we have neither the room nor the volunteers to care for them.

Many of the kittens we have been unable to take in will have died in pain and misery or will have been abandoned to become long term strays.

This is why earlier in the year we launched our Free Neutering Campaign to encourage people to get their cats neutered before this year's kittening season began. Obviously though many people have not taken advantage of this offer. However

this offer is still available.

Cats can be neutered from 4 months of age and as a female cat can become pregnant at 5 months old it is important to book you cat in as soon as possible.

Neutering is a safe procedure which has become commonplace in veterinary practices for over 30 years.

There are many other reasons for having your cat neutered.

- Neutered cats cost less to feed and are less likely to get sick or injured.
- Neutering reduces a cat's likelihood to roam, fight, spray and catch certain diseases such as

FIV and FELV. They are also less

likely to get certain cancers.

- Un- neutered Toms will be attracted to your home when your un-neutered female is in season.

So please take advantage of our offer and ring 01297 21610 for more information as soon as possible.

He is joined by pianist Philip Clouts, who has performed at Ronnie Scotts and the Glastonbury Festival, currently touring the UK with his jazz quartet following the release of their CD 'The Hour of Pearl'.

Pecorama's Bank Holiday Railway Gala Triumph!

THE Beer Heights Light Railway was steaming with activity last week when all resident loco's plus seven visiting took to the tracks over the course of the weekend. It was an impressive sight indeed on Sunday when five trains and 14 locomotives ran simultaneously, delighting the visitors, many of whom took advantage of the rare photo opportunity.

John Macdougall, Chief Mechanical Engineer on the Beer Heights Light Railway said 'It was a magnificent weekend! The best Peco Loco Week we have ever had. We hosted the largest number of visiting loco's in the history of the event, with engines from as far afield as Leeds, Belfast and London'

To complement the railway theme was a fascinating series of Rail Films shown by Nick Dodson, specialist railway documentary producer; whilst daily entertainment took place at the Top Spot Stage with Gary The Clown, Elfie The Jester and Ben The Juggler and Honiton Town Band added to the bustling albeit damp atmosphere on Monday.

Seaton Choral Society Concert at Methodist Church

SEATON Choral Society will hold its first rehearsal of the coming season on Wednesday, September 3rd at Seaton Methodist Church, Scalwell Lane, Seaton, starting at 7.30 pm.

This flourishing society, now in its seventeenth year, is around 50 strong and has performed many of the great oratorios such as Handel's *Messiah*, Mozart's Requiem and Haydn's Creation, along with less-performed masterpieces, shorter works and programmes of Christmas carols. It has a dynamic young director of music in Dr Peter Milmer, who with an excellent hand-picked orchestra conducted last May's concert featuring Fauré's *Requiem* and Elgar's *Give unto the Lord*.

The next concert, scheduled for Sunday 14th December, will be a performance of Bach's Christmas Oratorio. The society will warmly welcome new members of all voices who would like to join during the first weeks of September. Scores will be provided, and the ability to sight-read, though by no means essential, is a bonus. The weekly rehearsals are relaxed and fun, and plenty of time will be allowed for getting to know this joyous music with the help of the particularly fine accompanist, Michèle Banting.

Next spring Mendelssohn's *Elijah* will be presented with full orchestra - incidentally the work chosen back in 1998 to launch the society under its present name.

For further details, please contact the secretary Nicholas Arrow on 01297 552482 or email him nicholasarrow@btinternet.com. For more information visit the Seaton Choral Society website: www.seatonchoralsociety.co.uk

Discover what happens on 'Neville's Island' in The Guildhall

WHEN a company team-building exercise goes wrong, four middle-aged, middle managers find themselves stranded on an island in the Lake District in November.

It's an inhospitable environment with weather to match and hidden threats lurking. But it's the fears and insecurities, the ambitions and the resentments lurking within the four castaways themselves - Neville, Gordon, Angus and Roy - that seem most likely to undermine any chance of bonding in the face of adversity.

A black comedy in the very best sense of the term, 'Neville's Island' has more than its fair share of sharply-observed,

wicked humour morphing with the plot twists into moments of real poignancy and emotional depth. Regularly staged to the delight of audiences since it was first performed in 1992, the play was written by Tim Firth, author of the much acclaimed 'Calendar Girls'.

This latest production, from Axminster Drama Club, is being performed at the Guildhall, Axminster on Thursday 4th, Friday 5th and Saturday 6th September at 7.30pm.

Tickets (£8 in advance, £10 on the door) are available from The Archway Bookshop in Church Street, Axminster - telephone: 01297 33595 (after hours: 01404 831089).

SAM SWEENEY'S FIDDLE: MADE IN THE GREAT WAR

SIX years ago Sam Sweeney, fiddle player with Bellowhead, bought a violin in Oxford. It had all the appearance of a new instrument but the label inside gave the date 1915 and the name Richard S Howard.

Research revealed that the violin had been made – but never finished – by a luthier and some-time music hall performer from Leeds called Richard Spencer Howard. He had been conscripted in 1916 at the age of 35 and two years later was killed during the battle of Messines Ridge. His violin had been left unfinished in his workshop. The pieces were given to his daughter Rose in a manila envelope, as a memory of her father. She kept them all her life. On her death they were sent to an auction house. The parts were bought and the violin was finally finished by luthier Roger Claridge in 2007. The fiddle was then placed in the window of an Oxford music shop where it was spotted by Sam.

Discovery of the history behind the fiddle has inspired Sam to create a multi-media performance telling the incredible story of the fiddle which took nearly 100 years to complete, to mark the 100th anniversary of

the start of World War I. Collaborating with award-winning story-teller Hugh Lupton, fellow Bellowhead band mate Paul Sartin and acclaimed concertina player Rob Harbron, as well as Bellowhead lighting designer Emma Thompson who has developed set, projections and lighting for the show, *Made In The Great War* will bring the reality of World War I into 2014, as Sam performs the show with the actual fiddle made by non-returning World War I soldier Richard Howard.

Sam Sweeney brings his show to Exeter Phoenix in Thursday, September 11th. For more details or to book tickets call 01392 667080 or visit www.exeterphoenix.org.uk

Scott Rowe

PLANNING for later life and retirement can seem complicated and overwhelming.

At Scott Rowe we understand that many people would rather not think about making a Will. However, making one will ensure that your wishes are carried out, utilising any tax benefits available.

If you die without a valid Will then you are said to have died 'intestate'. It can leave your family

with a financial and administrative burden when establishing who the true beneficiaries are, and people who you wished to benefit may miss out.

You may also consider making a Lasting Power of Attorney, to be used by people you nominate to handle your affairs for you, should you become unable to. This can cover your financial future and your personal and welfare decisions whilst you are alive.

We can also advise you on how to fund possible future care, including equity release schemes, and on buying or selling your home if you are looking to move house in the future.

Over 98% of our clients recently surveyed say that we provided a good quality service and that they would recommend us to others. We are friendly and easy to talk to, and we can arrange home visits if that is easier.

Tips for eating well as you age

AS YOU age, your relationship to food may change along with your body. A decreased metabolism, changes in taste and smell, and slower digestion may affect your appetite, the foods you can eat, and how your body processes food. The key is to figure out how to adapt to your changing needs. Now, more than ever, healthy eating is important to maintain your energy and health.

. Load up on high-fiber fruits, vegetables, and whole grains. Your whole digestive system does slow

as you age, so fiber is very important. Consume fiber-rich foods such as whole grains, fruit, and vegetables. They will help you feel more energetic and give you fuel to keep going.

. Put effort into making your food look and taste good. Your taste buds may not be as strong and your appetite may not be the same, but your nutritional needs are just as important as ever. If you don't enjoy eating like you used to, put a little more effort into your meals, including the way you flavor, prepare, and present your food.

. Watch out for dehydration. Because of physical changes, older adults are more prone to dehydration. So make sure you are drinking plenty of fluid, even if you don't feel thirsty. If you're not getting enough water, you're not going to be as sharp and your energy will suffer.

Make meals a social event. It's more enjoyable to eat with others than alone. If you live alone, invite other people over. It's a great way to stay in touch with friends and you can share cooking and cleanup duties.

ACTIVE Mobility is delighted to announce we have been accredited as an Approved Dealer for the Motability Powered Wheelchair and Scooter Scheme.

The Koppers

THE Koppers Care Home, in Kilmington, Axminster, came 8th out of 2,370 homes recommended in the South West. The top twenty South West homes received an award from online directory and industry website carehome.co.uk

The award was based on the home's online recommendations from their residents plus friends and relatives of residents.

Owner of The Koppers, Vivian Baksh told carehome.co.uk: "It was wonderful to hear the news that we have won the award of being the best 8th home in the south west. It has boosted the morale of the home and given the staff a sense of pride as they feel their dedication and hard work have been recognised and rewarded. Here at The Koppers, our core values enable us to offer a home tailored to individual need.

"The team at The Koppers are dedicated, caring, well-trained and committed in providing the best possible care to our residents.

Director of carehome.co.uk Davina Ludlow said: "We felt the best people to rate a care home were the people who really know its ins and outs, its residents and their families.

"The Koppers has proved that it provides a great service and we'd like to congratulate them on being a top recommended home in the South West! It's a

brilliant achievement to be recognised for your hard work but particularly from the people who you work hard for.

"The care home will be recognised on our website as a top rated home and will receive a certificate from us.

"Many people provide vital and appreciated services to our home; these include our hairdresser Karen, Juells who comes to support the residents with activities. Chiropodist Lynn, the optician, the Axe Valley visiting team who come in on a voluntary basis to provide one to one and group support to enhance the residents life in a personal way.

"I would also like to thank Lucy who comes in every week to spend time supporting the residents with activities, chatting to them. Lucy you are a ray of sunshine with a big smile and always full of laughter. Last but not least the multi-disciplinary team which includes our local GP, Psychiatrist, CPN, social worker and district nurses.

"Thank you for your support. Also thank you to our new members of staff, some have had very senior positions in other settings. Thank you for bringing lots of new ideas and your experiences to enhance our standard of care for residents.

Tips for coping with change

FOCUS on the things you're grateful for. The longer you live, the more you lose. But as you lose people and things, life becomes even more precious. When you stop taking things for granted, you appreciate and enjoy what you have even more.

- Acknowledge and express your feelings. You may have a hard time showing emotions, perhaps feeling that such a display is inappropriate and weak. But burying your feelings can lead to anger, resentment, and depression. Don't deny what you're going through. Find healthy ways to process your feelings, perhaps by talking with a close friend or writing in a journal.

- Accept the things you can't change. Many things in life are beyond our control. Rather than stressing out over them, focus on the things you can control such as the way you choose to react to problems. Face your limitations with dignity and a healthy dose of humor.

- Look for the silver lining. As the saying goes, "What doesn't

kill us makes us stronger." When facing major challenges, try to look at them as opportunities for personal growth. If your own poor choices contributed to a stressful situation, reflect on them and learn from your mistakes.

- Take daily action to deal with life's challenges. When a challenge seems too big to han-

dle, sweeping it under the carpet often appears the easiest option. But ignoring the problem doesn't make it go away; it allows both the problem and your anxiety to build. Instead, take things one small step at a time. Even a small step can go a long way to boosting your confidence and reminding you that you are not powerless.

Netherhayes

Helping you choose the right care

Choosing the right Care Home for oneself or for a dear relative must be one of the most difficult decisions to make. Often this decision has to be made as a result of circumstances just when emotions are running high and it can all be very overwhelming.

The team at Netherhayes Care Home are there to help in making that decision easier. They are able to offer confidential, practical advice and support. Our friendly team of staff are available at any time to discuss queries or concerns you may have. Bluebird Care

On their bikes for Alzheimers Society

LOCAL Home Care Provider staff do a sponsored bike ride to raise money for charity.

Blessed with a fabulously sunny day on 19 May, a team from the Bluebird Care agency took to their bikes raising £1,250 for Alzheimers Society.

Starting out from the quay in Exeter, 30 staff cycled to the Turf pub and back again. For some it was a road to reminiscence as they hadn't been on a bike since childhood, for others it was a complete first on a bike, but all took on the challenge, the training manager persevering despite losing a pedal on the way. The team was well represented by care workers, supervisors, co-ordinators, managers and the directors, not forgetting two dogs and a baby.

Bluebird Care provide Home Care supporting people who are elderly or younger disabled to remain in their own homes. They provide all services including personal care, domestic chores, night care, enabling and a sitting service.

Area Manager, Leigh Richardson, formerly a Social Worker, gave the reasons behind the sponsored bike ride. "We chose the Alzheimer Society as we wanted to raise money for a charity relevant to us. Many of our care workers provide support to customers who have a form of dementia, and work closely with their carers, this seemed the ideal choice. We also feel it is important to raise awareness of dementia as a condition from which so many people suffer, hence choosing Dementia Awareness Week to do the sponsored bike ride."

'It's fantastic that a team from Blue Bird Care gave their time to support Alzheimer's Society. One in three people over 65 will develop dementia. It is more than just memory loss; it robs people of their lives and has a devastating impact on families and loved ones.'

'As a charity, we rely on the generosity of organisations like Blue Bird Care and their amazing staff to help us continue our vital work so that Alzheimer's Society can continue leading the fight against dementia.'

Bluebird Care are based in Exeter and Ottery St. Mary and cover Exeter and East Devon. exeter@bluebird-care.co.uk

Bymead House

BYMEAD House Nursing & Residential Home in Charmouth has been owned by Susan Blacklock - a qualified nurse with a background specialising in Community Nursing - for 20 years.

Her philosophy is to provide truly individual and therapeutic support including complimentary therapies such as acupuncture, to whatever degree is wanted or required.

She has always believed that this support should extend to the families and friends of those living at Bymead House as they form an important integral part of the care network within the home.

Bymead has always been proactive with the care provision and facilities on offer to the residents.

We continue to work towards the 'Gold Standards Framework in Care Homes', this will enhance the excellent care we already provide and is part of a national initiative to achieve the best quality of life for our residents particularly towards the end of life.

A very important part of the support Bymead provides is their extensive activities programme.

In line with their philosophy of holistic care, these activities are tailored to suit the individual needs of their residents.

The varied weekly programme reflects hobbies the residents may have had in their previous home and any new interests are encouraged and supported. Also outings to favourite destinations are chosen by the residents.

Sue Bartlett-Hall, activities co-ordinator, has been instrumental for many years in taking forward Susan Blacklock's vision of the therapeutic importance of social activities in relation to the happiness and wellbeing of people living within a care home.

Using local suppliers has always been important to Bymead House, this ensures that Bymead have frequent deliveries of fresh local produce each week enabling them to provide a varied, nutritious and tasty menu and special diets are also catered for.

Bymead continues to grow and develop as a vital care provider in the community.

Residents are encouraged to make the rooms their own personal space with favourite pieces of furniture, pictures and paintings.

All bedrooms are single and most are en-suite whilst each room has a telephone and television.

Bymead House would welcome any visits to the home, at any time, to see the benefits on offer.

Our new website has some lovely photos of the newly decorated areas; you can find this at bymeadhouse.com

Tips for boosting vitality

DON'T fall for the myth that growing older automatically means you're not going to feel good anymore. It is true that aging involves physical changes, but it doesn't have to mean discomfort and disability. While not all illness or pain is avoidable, many of the physical challenges associated with aging can be overcome or drastically mitigated by eating right, exercising, and taking care of yourself.

It's never too late to start! No matter how old you are or how unhealthy you've been in the past, caring for your body has enormous benefits that will help you stay active, sharpen your memory, boost your immune system, manage health problems, and increase your energy. In fact, many older adults report feeling better than ever because they are making more of an effort to be healthy than they did when they were younger.

How to feel young and live life to the fullest

STAYING healthy and feeling your best is important at any age and that doesn't change just because you have a few more grey hairs. As we grow older, we experience an increasing number of major life changes, including career changes and retirement, children leaving home, the loss of loved ones, and physical changes. How we handle and grow from these changes is the key to staying healthy. These tips can help you maintain your physical and emotional health and live life to the fullest, whatever your age.

Finding and following your formula for staying healthy

Coping with change is difficult, no matter how old you are. The particular challenge for adults over 65 is the sheer number of changes and transitions that start to occur—including children moving away, the loss of parents, friends, and other loved ones, changes to or the end of your career, declining health, and even loss of independence. It's natural to feel those losses. But if that sense of loss is bal-

anced with positive ingredients, you have a formula for staying healthy as you age.

Healthy aging means continually reinventing yourself as you pass through landmark ages. It means finding new things you enjoy, learning to adapt to change, staying physically and socially active, and feeling connected to your community and loved ones. Unfortunately, for many, aging brings anxiety and fear instead. How will I take care of myself late in life? What if I lose my spouse? What is going to happen to my mind? However, many of these fears stem from myths about aging that are exaggerated by the media or simply untrue. The truth is that you are stronger and more resilient than you may think.

West of England Laser Centre

Birthmarks, thread veins and other blemishes

BROWN birthmarks are caused by an excess of melanin, the skin's natural tanning pigment, causing, for example, 'cafe-au-lait' birthmarks. Exposure to the sun's ultra-violet rays can also result in similar changes such as freckles and sun/age/liver spots.

Red birthmarks, such as 'port-wine stains' are caused by an excess of blood vessels near the skin surface, varying from pale pink to purple. Other blood vessel problems sometimes occur in the form of unsightly 'thread/spider' veins and 'blood spots' (haemangiomas).

The West of England Laser Centre at Nuffield Health Taunton Hospital undertakes treatment with advanced laser technology. A variety of lasers using different types, colours and intensities of laser light are used to treat different skin conditions. The laser energy either destroys the vessels by heat or breaks down pigment into tiny particles which are then dispersed naturally by the body. The darker the pigmented area to be treated, the more treatments required.

Also available: laser removal of other skin conditions such as excess hair, moles, warts, verrucas and tattoos plus surgery for baggy eyelids (blepharoplasty). For further information please contact us on 01823-331773 or visit our website at www.welc.co.uk

You're So Vein...
You probably think this ad is about you don't you?

Sunlight, wind & extreme temperatures can all contribute to unsightly facial thread veins. Our lasers can treat these unwanted vessels effectively and painlessly.

Pulman's Property View

Act now if you want to move home before the end of 2014

LOCAL leading estate agency Fulfords in Seaton is advising sellers and homebuyers to act now if they want to be moved into their new home before the end of the year.

The autumn is a prime time for selling property as after the summer holidays, home buyers are more determined to find a property and complete on the sale before Christmas arrives. This year is no different with continued improvements in the housing market, house prices and developments in mortgage lending which is encouraging more people to move home. Dedicated sellers can take advantage of this renewed interest and look to seal a deal quickly.

Commenting, Chris Heal,

Branch Manager, Fulfords Seaton, said:

"We are seeing a responsible and sustainable recovery in the housing market and the volume of housing transactions is continuing to grow at a measured pace, with more people moving home in the first half of 2014 compared to the same period in 2013. We expect this momentum to continue throughout the remainder of the year.

"This year we have seen the introduction of the Mortgage Market Review (MMR), which means that brokers and lenders need to demonstrate that the mortgage recommendation they make is in the best interests of the customer and meet the customer's individual needs. Our mortgage consultant can talk you through the new process and help you gather the information required to meet the lender's re-

quirements."

In order to help people understand the changes in the local housing market conditions, the impact of MMR on the mortgage process and how a potential interest rate rise could impact you, Fulfords in Seaton is running a dedicated property campaign this September called 'Property Live – Let's talk property'. During this period the estate agent is encouraging property sellers, buyers, landlords and those looking for mortgage advice, to come and talk to them about their property dilemmas and find out how they can move home before the end of the year.

Commenting, Chris Heal, said:

"We believe it is important for current and prospective property buyers and sellers as well as landlords to be aware of current market conditions and any changes that could impact the decisions they make. We look forward to welcoming people to our branch throughout the month, helping people to make the right decision for them and assisting them in moving home this year"

For further information about Fulfords Property Live event, contact the team at Seaton branch on 01297 24224, email manager.seaton@fulfords.co.uk, or visit www.proprtywide.co.uk.

Quality and Technology Leap for Third-Generation Kia Sorento

DELIVERING a premium look and feel the all-new Kia Sorento, unveiled in Korea today, blends style, practicality and technology, which builds on the success of the outgoing model. The new Sorento's smoother, swept-back profile and deeply sculpted surfaces introduce a higher level of sophistication for the third-generation model, with more space and numerous innovative features.

The evolutionary styling changes subtly alter the character of the new Sorento, highlighting its sleek, sinuous, profile, creating a sophisticated appearance and ensuring the new model has a bolder on-the-road presence.

The face of the new Sorento incorporates long, wrap-around headlamps and more prominent fog-lamps, as well as a larger, more upright 'tiger-nose' grille, with a distinctive

three-dimensional diamond pattern, first featured on the 2013 Kia Cross GT concept.

In profile, the new model retains the Sorento's hallmark long bonnet and characteristic wide D-pillar, but a lower roofline, higher beltline and swept-back shape give the car a more dramatic, muscular stance.

The new clean look is achieved with the introduction of new laser welding manufacturing techniques, then rendering weld lines invisible.

The sleeker look of the new Sorento is enhanced by its increased length (+95 mm to 4,780 mm)***, reduced height (down 15 mm to 1,685 mm) and extra width (+5 mm to 1,890 mm).

The exterior styling of the new car was led by Kia's

Namyang design studio in Korea, with significant input from the brand's Frankfurt, Germany and Irvine, California design studios.

'Sophisticated and luxurious' theme for interior styling

Inside the all-new Sorento is where some of the most significant improvements are to be found. Interior styling was led by the brand's European design team, based in Frankfurt, and Kia's designers have created a more sophisticated, more luxurious cabin, featuring significantly higher quality materials.

The styling of the cabin follows a 'modern and wide' theme, providing the interior with a stable, horizontal layout and appearance. This width is echoed in the wider instrument cluster, interior garnish and the wrap-around shape of the dashboard which extends into the door trims. A higher proportion of soft-touch materials and leather creates a modern luxury feel to the cabin and gives the new Sorento a genuine premium vehicle ambience.

One of the most distinctive interior styling features is the Swiss watch-inspired center-console, which incorporates Kia's latest HMI (human-machine interface) technologies.

The flowing contours of the dashboard rise to incorporate

the driver's instrument binnacle, and the smoothly-styled design curve in the doors, leads from the audio speakers up to the SUV-style grab handles, endowing the cabin with a more sophisticated appearance.

Depending on market, customers will be able to specify the interior in either single-tone (Saturn Black) or two-tone (Saturn Black and Stone) colour schemes with cloth or leather trim. Additionally, brown or light grey colour schemes in leather trim will be offered as an option.

Comfort, convenience and new technologies

Compared to the previous-generation model, the increased exterior dimensions and the extended wheelbase (+80 mm to 2,780 mm) have liberated additional space in the cabin of the new car.

Although the roofline is 15 mm lower, repositioned seat cushions ensure increased headroom for occupants in all three rows, who will also enjoy greater legroom. Cargo space also increases, thanks to a cargo bay floor (up by 87 mm), and capacity with the third row seats folded flat is up 17.5 percent, from 515 to 605 litres (VDA). The new Sorento also features a new under-floor tonneau cover storage compartment.

jack high news from around the local bowls clubs

Honiton Ladies confirmed as Interclub champions

FENITON with Roger Smith

FENITON's final over 60s triples matches saw the B team gain maximum points in defeating Belmont B by 37-23. The winning rinks were C Maynard, D Conbeer and D Evans 20-11 and L Ley G Phillips and R Clarke 17-12. However, promotion cannot yet be confirmed as the second and third teams have games in hand. The A team defeated Culm Vale C by 42-38, thereby finishing mid table, by 42-38. The winning rink was D Sanders, A Smith and A Evans 24-15.

The ladies final match in the NBTL against Heavitree was drawn, with both teams sharing the points, as a consequence of heavy rain curtailing the match after six ends. In their final EDL match, they lost to Madeira 25-37. The winning rink was G Blackmore, J Mitchell, D Phillips and R Veitch 17-12.

The mixed team lost away at Culmpton by 51-77. The winning rink was A Hughes, R Lovering, S Kury and K Lovering 18-10. However, they narrowly won away at Culm Vale by 80-78. The winning rinks were A Coyne, A Hughes, Ro Clarke and J Skinner 24-17 and L Ley, G North, D Conbeer and D Coyne 23-20.

The weekend was taken up with the Club 3 bowl pair's competition. In the semi-finals both matches went to a deciding sudden death end. David Sanders and Liz Morris defeated D Phillips and K Lovering 20-18 and Sue Kury and Roger Smith defeated Cara Sanders and Tony Kury by 12-10. In the final Sue Kury and Roger Smith overcame Dave Sanders and Liz Morris by 21-7.

SEATON with Linda Stone

ON Wednesday Seaton "A" won their final game of the season against North Tawton "A", in Division 3, of the Over 60's Triples League by 24 shots (46-22). The top triple was that of Peter Newton, Ron Rowley and Les Toozie who won by 27 shots. This win meant that Seaton "A" have remained unbeaten for the second successive season, a run of 36 games. Under the captaincy of Ivor Steer, ably assisted by Ron Rowley, Seaton "A" have been promoted from Division 7 to Division 2 in successive seasons, picking up the titles of Divisions 7, 5, 4

and 3 along the way. This feat has been achieved with largely the same group of players. Unfortunately for the team, one of their stalwarts, Alan Wood, has recently moved to Kent and will be difficult to replace.

The Seaton Over 60's 'B' team are winners of Division 5!

In the home game this week, against second placed North Tawton 'B', the first few ends were quite close, but both rinks gradually progressed to a comfortable 43 - 19 win.

The run-in has been excellent with 42 points from a possible 48 from the last six games, with good contributions from all members of the team. Bring on Division 4!!

Seaton have also been successful this week in all their friendly games. There were two tours, the first one on Wednesday against Great Holland, Bracknell. Seaton winning 109 shots to 80 shots. Top triple Ian Manchester, Peter Grigg and Angie Mayhew. Then on Sunday a touring side from Sunningdale played 6 rinks. Seaton again winning (144 - 88). The top rink was Margaret Nicholas, Keith Miles, Ruby Grigg and Ron Rowley winning rather impressively 35 - 15.

Axminster ladies sent three triples to Seaton on Thursday for another friendly game. Seaton again winning by 63 - 34 shots. Seaton's top triple was Alice Carter, Gill Sykes and Angie Mayhew winning 29 - 6 shots.

With the conclusion of the Two Counties league approaching, Seaton are still in the running to take top place in Devon and go on to the final. On Saturday Culmpton visited Seaton. The final score was 97 shots to Seaton and 60 shots to Culmpton. Seaton winning on three of the four rinks. Top rink was Norman Stone, Dave Yardley, Pat Whitworth and Di Morley.

On Friday the final eight teams from across Devon travelled to Sidmouth to play the concluding rounds of the County Benevolent Triple competition. Seaton's team of Maria Johnson, Pat Whitworth and Di Morley, having won through in Section Seven, played a triple from The Elizabethan Ladies (Plymouth) in the Quarter Finals winning convincingly. They then faced a team from Plymouth in the semi-

final in the afternoon. After a shaky start by Seaton, 5 - 1 down after three ends, Plymouth only managed to score one more point. Finally conceding the match after 15 ends. Seaton's Team will now be playing the final of this county competition next weekend at Newton Abbot. All our best wished will go with them.

HONITON with Tony Broughton

THE Ladies have done it, they are the County Interclub Champions 2014.

On Wednesday this week they travelled to Shaldon, near Teignmouth, in atrocious weather for a 10.00am start against Topsham in the semi-final of the Interclub competition.

The fine drizzly rain persisted all morning but the two teams of Yvonne Rayner, Dulcie Broughton, Carole Binmore and Sue Evans with Lynda Dommatt, Carol Smith, Julie Grant and Shirley Hiscocks coming out winners on both rinks.

Sue's team had won e 8 shots and with Shirley's team standing at 21-21 with 1 end to play the Topsham Ladies had to produce a Hot Shot to force an extra end. In the event Shirley picked up a 2 to win on both rinks.

In the afternoon their opponents were Tiverton West End whom had beaten Torbay Country Club in the morning.

This time the weather was better, fine with occasional bursts sunshine, but with 3 ends to play the heavens opened up.

By this time Sue's team were so far up, they had an 8, a 5 and a 4 fairly quickly and could not be caught. Shirley's team were also up and Tiverton conceded. A great result for the Club.

Carol Smith and Julie Grant had to travel to Marldon the next day to play in the semi-final of the Over50 County Pairs, this had been brought back because of bad weather on the preceding Tuesday.

As you can imagine they were both very tired after the previous gruelling days play and unfortunately lost but never the less a great effort to get that far, well done girls.

Another good result in the Two Counties League against Culm Vale winning 3 and losing 1 rink. The scores, 23-12, 19-21, 20-19, and

22-13.

On Tuesday the Kensey Vale Bowling Club visited Honiton on their way home to Launceston, in Cornwall, after their Bournemouth Tour.

Unfortunately the green was water logged but Gerry Dommatt was soon on the ball to organise the whole game to be played on our 4 rink Indoor Green.

Kensey were treated to a Lunch, tea and biscuits half time and an evening meal at the end a big effort from the ladies who were there all day.

Seven Rinks played and Honiton won 6 of those. The whole match was a huge success and the Raffle raised a Club Record of £104 for this year's Hospiscare Charity.

On Thursday after several days of rain the sun re-appeared allowing Honiton to play Dukeswell at Honiton.

Winning 2 Triples and losing 2 Honiton came out the 63-50 winners.

Top Rink at 27-8 was Yvonne Williams, David Downs and Scott Eveleigh.

OTTERY ST MARY with Mike Smith

IN a home fixture against Hemyock in the "2 Counties" League, Ottery lost 3 rinks to 1, just managing 2 points. The men's Over 60's Triples League reached it's conclusion this week, all three teams losing to stronger opposition, but the 'A' and 'B' teams maintain their league positions in Divisions 3 and 6, whilst the 'C' team finished a poor season propping up Division 8. The ladies had a good win against Budleigh in the LOFTL 42-30, but lost to Madeira 20-31.

Great Hollands B.C. were Ottery's latest touring side to visit, having travelled from Bracknell in Berkshire earlier in the week. Ottery came out winners 4 rinks to 2 with an overall score of 120-81, the best rink being that of Maggie Beighton, Derek Hunt, Pam Baker and skip Terry House winning 27-9.

With just 3 weeks to go before the end of the season Ottery will be playing host to another 3 touring teams in September to round off a very successful summer of bowling.

Jackson goes it alone to win the Oke Croak

JAMES Jackson was the lone Axe Valley Runner at the 10 plus mile Oke Croak run on Saturday. The race heads out of Simmons Park through the beautiful wooded valley beside the River Okement before starting a climb up the ancient "Goats Path" to Oke Tor. Here you are directed through the gap under the large stone and head for East Mill Tor and Yes Tor, followed by a lovely moorland descent back to the Park. James was delighted to win the event in 1:23:15. The race is self-navigating and while James

was not first to Oke Tor, his subsequent route choice enabled him to overhaul the leader and race to victory.

Sue Venn ran the somewhat hilly Ash Excellent 8, excellent because it's actually just over 8 miles. She found the combination of heat and hills somewhat sapped her energy, but still managed to complete in 1:27:37. Sue was initially disappointed with her time, but a nice cup of tea brought her round and now she is pleased.

Wednesday, August 27th
Devon & Exeter Div 3
LYME REGIS 9 AXMINSTER TOWN RES 0

LYME Regis took no pity on a weak Axminster Town Reserves line-up in the gloom on Wednesday evening.

The first league meeting between these two old rivals in 13 years saw The Seaside take the initiative straight from veteran referee Peter Greenwood's opening whistle.

Half a dozen early half chances came and went in the opening quarter hour before Levi Hoole smashed home a scorching 25-yarder right up into the top corner of stand-in Tigers' keeper Dylan Hawkins' goal.

It was heartening for the Seaside's supporters to see the Hoole name on the score sheet for the first time since 2005 when Levi's dad Ellis netted his last goal before retirement.

Two minutes later Hawkins clearly handled out side out his area but the offence was missed by referee Greenwood and the away linesman.

But it mattered not. In the 34th minute Lyme skipper Matt Laing was felled on the edge of the Ax area and Mark Bailey curled the resulting free-kick past Hawkins.

Two goals immediately before half-time put the game to bed. Hoole was brought down 20 yards from goal and this time it was Rob Fellingham who netted from a sublime free-kick.

There was still time for Ritchie Durrant to cut-in from the right flank and bend a cross to the far post where Hoole was on hand to score with a fine left foot volley.

The second-half began with Hoole having two efforts cleared off the line. Then a foul out wide on

the left allowed Bailey to cheekily curl in his second of the game. Hoole struck twice more to take his personal tally to four and the score to 7-0.

In the last ten minutes Durrant capped a fine performance when he drilled in low for his first goal for his hometown club.

The scoring was rounded off by substitute who smashed home a shot from all of 35-yards that flashed past the overworked Hawkins and high into the net.

Saturday, August 30th
Newly promoted SIDBURY UNITED stole the show with a sensational 2-0 victory against early Premier leaders and title favourites TIVERTON TOWN. Substitutes Dave Green and Pete Grover came on in the last twenty minutes to score the goals which earned Sidbury their first ever victory in the top flight. However the pivotal moment came at 1-0 when Sidbury keeper Jamie Harris made an amazing save to deny the yellows an equaliser.

TOPSHAM TOWN beat HEAVITREE UNITED 4-2 to underline their hopes for a much better season. Goals from Nathan Antat, Matt Finn, Alex Gibbons and Kieran Willdigg earned Topsham the points and was a triumph for man of the match Nathan Cooper. The Heavies goals were scored by Ben Harris and Matt Lyneley.

Luke Jones grabbed all four goals for NEWTOWN in their 4-0 victory at WILLAND ROVERS, who were suffering defeat for the second time in four days having lost 3-0 at home to FENITON on Wednesday.

ELMORE won the battle of the promoted teams 3-0 against BOW AAC, but CHARD TOWN went down 1-0 to BEER ALBION, earning the fishermen their first win.

A virtually teenage BUDLEIGH SALTERTON were overrun 15-0 at THORVERTON.

Division One leaders WITHERIDGE made it three from three with a 3-2 win against WELLINGTON TOWN but it was hard work. Stuart Bolt, Matt Leach and Tom Williams were the Wither marks-men.

HONITON TOWN were 5-1 winners at BICKLEIGH and look a very strong side on this performance. An own goal, a Lewis Couch penalty, Jack Knight, Tom Perryman and Wayne Baker shared the goals for Honiton.

CLYST VALLEY won 2-1 at HEAVITREE UNITED whose James Mills scored their only goal, and WEST-EXE shared a 1-1 draw with EXMOUTH AMATEURS Jo Ebiarno netting the home goal.

It also finished 1-1 between BEACON KNIGHTS and visitors LYMPSTONE who led with a Mark Dunne goal, and there was a goalless draw between EAST BUDLEIGH and ALPHINGTON.

When the referee failed to show up for the Division Two match between HEMYOCK and SIDMOUTH TOWN, the teams could not agree on a deputy so the match was abandoned.

HALWILL and DAWLISH UNITED shared a 2-2 draw, Simon James and Andrew Moores scored for the home team, while in the one other match played Chulmleigh beat TOPSHAM TOWN 7-2.

Newcomers LYME REGIS followed up their 9-0 victory in Division Three against AXMINSTER TOWN in midweek with a 2-1 win at home to EXMOUTH TOWN, and remain unbeaten after three outings. After going behind, Dom Rowe equalised for Lyme, before Will Mowbray scored a sensational 91st minute winner.

CHAGFORD came from a goal down, an own goal at that, to win 2-1 at AXMOUTH UNITED. Robbie Miller and Andrew Davis repaired the damage.

AMORY PARK RANGERS celebrated their first ever Senior victory when they defeated BOW AAC 2-1, but it is ST MARTINS who set the pace in Division Four after their 4-0 win against LANGDON.

Saints have clocked up 20 goals in three matches without reply.

OKEHAMPTON also boast a 100% record after they won 4-2 against NEWTOWN. Dylan Wilson and Bradley Holmes scored for the Exeter team.

FENITON are the Division 5 leaders after a 3-0 win against an ILMINSTER TOWN side making its

D & E debut. Jamie Doidge 2 and Matt Dowling scored for Feniton. SANDFORD back in Intermediate soccer for the first time in many years have begun their recovery well. A 4-0 win at OTTERTON was their second success.

The Division Six match between KENTISBEARE and ALPHINGTON was abandoned after 66 minutes due to a bad injury to the Alphas Tom Patterson. Play was held up for over an hour before referee Dudley Frood called a halt.

Alan Harris smashed four goals for OTTERTY ST MARY as they sank SEATON TOWN 6-0.

Adi Selway and John Ford were the Silvertown scorers in their 2-0 win against EXWICK VILLAGE.

Happiest team of the day was former South Devon League outfit MORETONHAMSTEAD whose 5-4 victory at TEDBURN ST MARY was their first in the league since their return

Rise slip up at Winsham in league opener

THE region's Perry Street League teams had a mixed opening day to the new season.

In Division One Millwey Rise and Farway United were both beaten.

Terry Emmett put Rise ahead in their battle of the two teams relegated from the premier last season as they went down 3-1 against Winsham United at Bakersfield.

The Millwey cause wasn't helped by a missed spot-kick by Emmett following a foul in the area.

Meanwhile, Farway began their life under new manager Tim Herrod with a 3-1 home defeat at the hands of Lyme Regis Bantams who have been promoted two divisions as a result of their first team's move into the Devon & Exeter League.

Lyme took an early lead through Dom McAllister before the hosts pulled one back following an indirect free-kick in the area.

But Lyme regained the lead on the stroke of half-time with a Jim Maidment penalty after McAllister had been felled in the box.

The result was confirmed when Shaun Stewart headed home Fred Etherington's cross midway through the second period.

But there was better news from Hawkhurst United who hammered Shepton

Beauchamp Reserves 8-1 down in Division Four.

The Hawks led 3-0 at half-time and added five more before Nat Wakeman scored a lonely-looking late consolation.

Jack Larcombe (2), Luke Harding (2), Gavin Herrod, Rowan Short, Jon Turner and debutant Dan Richards netted for the hosts

Hawkhurst manager Martin Bright was impressed with Richards and right back Josh Hopson.

In the same Division Millwey Rise Reserves with Ian Hall back at the helm began, with a 2-0 reverse at Thorncombe Reserves.

It was 0-0 at the break before goals either side of the hour mark from James Johnson and MoM Ashley Allen gave the Thorns their victory.
